

# MERCUREY CLOS DE LA MALADIÈRE

2018

#### WINEMAKING

To preserve their integrity, grapes are carefully harvested and sorted out by hand.

Before beginning the alcoholic fermentation we make a cold prefermentation during 4 to 6 days to work on the phelonic component's exctraction. Grapes are previously destemmed. Then full maceration lasts for 15 days during which we'll use only pigeages (punching the cap). Intensity and numbers are lead to the concentration of tannins, perfumes and colour.

Alcoholic fermentation is realized with natural yeasts.

#### AGING

After maceration, free and press wines are separated for aging. Aging process is taking place 100% in traditional Burgundian 400 liters barrels during 15 months. We use around 20% of new barrels.

We only use French oak coming mainly from Bourgogne, Allier and Vosges forests.

## Key points

Château label Single vineyard Price/quality ratio Enjoyable from now

#### TERROIR

Our vineyard Clos de la Maladière is composed by 3 plots planted between 1959 and 1979.

Total area : 1,36 ha (3,35 acres)

Climat & Soil : dominated by clay and limestone with a clay predominance. South-North direction of plots.Lighlty slope in the North with pebbles.

## TASTING NOTES

EYE Pretty ruby colour offering bright purplish hints.

NOSE The nose is expressive marked by generous red berries aromas (cherry). It develops spicy (laurel) and smoky notes.

PALATE Ample and velvety texture in the mouth. Fruity and saline finish.

## SERVICE & CELLARING

It can be served from now at 13-14°C or kept in cellar for 8 to 10 years.

### FOOD & WINE PAIRINGS

Our Mercurey Clos de la Maladière 2018 will perfectly match with filet mignon with herbs or lamb chops.
