MERCUREY BLANC PREMIER CRU

LA MISSION - Monopole

2014

TERROIR

Our vineyard La Mission is composed in 3 small plots and owned at 100% by Château de Chamirey : monopoly. Vines were planted between 1961 and 1997.

Surface : 1,9240 hectares (4,75 acres)

Climat & Soil : East/South-west facing plots established on a hilltop above Premier Cru 'Clos du Roi'. Clay/limestony/sandy soil, deep and draining.

WINEMAKING

To preserve their integrity, grapes are carefully harvested and sorted out by hand. Full clusters.

Following the pneumatic press, juices stay in a vat overnight for a cool settling down and then are directly filled in barrels by gravity.

Alcoholic and malolactic fermentations take place in barrels.

AGING

Aging process is taking place 100% in traditional Burgundian 228 litres barrels during 15/18 months with around 15/25% of new barrels. We only use light toasted French oak coming mainly from Bourgogne, Allier and Vosges forests.

Light filtration before bottling

90/100♥

« Here the expressive nose is both more elegant and more complex with its pretty array of citrus peel, pear, green apple and floral scents. There is once again more volume to the appealingly textured flavors that possess an almost tender midpalate yet manage to deliver good punch on the stony, pure and well-balanced finale. This should drink well young if desired. »

Editor Choice

« The parcel called La Mission in the heart of the Mercurey vineyards is wholly owned by the Devillard family, so they call it a monopoly. It is a wine that effortlessly balances tangerine and lemon flavors with ripe spiced peaches and a tight mineral texture. The wine is still young, still developing, so wait until 2018. »
